PAYMENT POLICY

Registration Fees are due and payable before a student will be officially enrolled in school.

Book Fees are due and payable no later than August 1st of each school year.

Tuition Payments are due beginning August 1st of each school year.

- Monthly payment installations of nine pre-dated checks for the 1st of each month, must be submitted to the office along with the submission of August 1st tuition.
- Checks will be kept in a secured safe, inaccessible until the 1st of each month within the school year.
- Pre-dated checks will be deposited on the first business day of each month within the school year.

Returned checks by the bank will be assessed a \$25 handling fee. Returned checks will be automatically re-deposited once. If the check still does not clear, the payer will be requested to pick up the check and make the payment, including handling fees, in cash or with a cashier's check. Failure of the responsible parties to pay late fees, returned check fees, and other fees associated with penalties due to lack of funds will result in the student's grades being withheld at the end of the next grading period, unless prior arrangements have been made with the Principal. Delinquent accounts are neither in the best interest of the school or the parents or guardians of the student(s). Once an account is past due, the Principal will make contact with the responsible parties to discuss the delinquent account and counsel, where necessary. If tuition is not paid by 5th of the month, your child may not return to school until the balance is paid. If an acceptable payment plan is not agreed upon, the student will be withdrawn from school. The delinquent accounts will continue to be the obligation of the responsible parties to the school.

Initial ____

EARLY WITHDRAWALS

Royal Point Academy makes decisions regarding budget spending based upon anticipated revenue from tuition. Thus, student withdrawal before the end of the school year causes financial hardship on the school. Therefore, a two-month tuition penalty fee per student will be assessed when families withdraw before the end of the school year. Records will not be released until withdrawal fee is collected. Requests for exemption from this policy must be submitted in writing and should include an explanation as to the extenuating circumstances behind the student's

withdrawal. A written request must be submitted to the Principle no later than 30 days before the withdrawal will be effective.

Initial ____

3. TARDINESS

Promptness is a character trait in which we seek to instill in our students. The late arrival of even one student penalizes the whole class by requiring the teacher to spend valuable class time repeating instructions that have already been given.

A. Elementary students who arrive late (after 8:35am) are to go to the school office to be signed in. 3 unexcused tardies will result in 1 absence.

B. Students are considered absence half day if he arrives after 10:00am or leaves school before 1:00pm.

Initial ____

4. MISSED OR MAKEUP WORK

All work must be picked up the next day, after an absence, thus allowing the teacher time to prepare instruction and get together all books and assignments. These procedures assist teachers in not having to take teaching time while preparing work for the parent to pickup. Getting missed work is the responsibility of the student/parent. The student will then be allowed to makeup work and have it returned by the next day. Students will receive zeros for all work not turned in the day the teacher has requested. (Including tests and quizzes.)

Initial ____

STANDARDIZED POLICY

Each student, starting at grade K-5 is given a Stanford Achievement Test in the spring of the year. Pearson’s Stanford 10 will evaluate your students’ progress, see how they compare to national and state standards, and identify students that need more help. Stanford 10 will help develop a pattern of testing as a positive experience, not an intimidating one. The standardized tests aren’t pass or fail. They’re meant to show progress! There is a \$50.00 testing fee due by the 1st of April. While standardized testing is not a requirement, traditional classes will not be provided for students who choose to opt out. Alternative childcare arrangements will need to be made for the week of scheduled testing.

Initial ____

HOMEWORK POLICY

To involve parents in their child's education, and for the students' mastery of skills, homework is assigned. We believe that the school and parents must work together as an educational team. Parents are asked to initial this contract at the beginning of the school year, which explains our homework policy and defines the minimum role which parents are asked to assume. The school asks you, as parents, to sign the homework steno after you have reviewed and/or assisted your child in the completion of the assignment.

1. Homework is to aid the student's educational development and not to discourage them. The students should not spend more than one hour total, unless there is a special assignment. This hour includes actual work, studying for a test or quiz is not included in this hour. If so, please contact your child's teacher.
2. We believe that the primary responsibility for educating the students rests with the parents. A formal teaching program in our school is supplement, not a substitute, for the parent's role. For this reason, we encourage parents to be involved in their child's homework.
3. Any student who fails to turn in a homework assignment will be required to make up the assigned work issued for that day and must be turned in by the following day. If the student fails to turn in an assignment or returns their steno unsigned, the consequences are as followed:

1st offense – Written or verbal warning will be given

2nd offense – After school detention

3rd- offense - After school detention

4th offense – ISS (In School Suspension)

4. It is the responsibility of the student/parent to inquire about assignments, quizzes, or tests that the student may have missed due to absences. A ten-point deduction will be taken from any quiz or test taken the day of ISS.
5. There will be a fee of \$70.00 for any student having to serve ISS. This fee must be paid on the morning of ISS or you will be called to pickup your child and they may not return to school until the ISS has been served. The days missed will be counted as unexcused absences.
6. Tutoring is available to all students who are having trouble with a particular subject. You may set these accommodations up with your child's teacher. You may contact them between school hours 8:00am-3:30pm.

Initial ____

DISCIPLINE POLICY

Discipline at RPA is consistent for the purpose of constructive molding of character. By learning to live within the limits of parental and school authority, the groundwork is laid for the student to learn submission to God's will in their life. We take an individualized approach to meet every child's needs. This may include time outs, disciplinary notes, detention, suspension and/or parent intervention. We believe molding a child's behavioral habits requires teamwork. We ask that you respect our requests for disciplinary measures so that we are consistent both at school and in the home. We are committed to working with you to find an approach most suitable for your child.
